

**Séminaire Vendredi 2 Mai 11h00 / Seminar Friday May 2, 11:00 AM**

**Conférencier/Lecturer:** Laurence Wilson

**Sujet/Subject:** Thirty years of statistical interpretation and verification in MSC

**Présentation/Presentation:** Anglais / English

**Lieu/Room:** Grande salle du premier étage CMC

**Résumé/Abstract:**

On the occasion of my retirement from full-time public service after nearly 39 years, I will present a summary of my career, with emphasis on accomplishments in statistical post-processing and verification of NWP model output, including some key results. Along the way, I will pose some perhaps surprising challenges and will conclude with some thoughts on the future of statistical interpretation and verification in an international context.
